Dear Parent,

We, at The Maurya School, aim high so that our children may aspire to touch the sky. Challenges and opportunities are interspersed at each and every step of schooling which assist in enabling our children to develop their cognitive, conative and psychomotor domains.

This year our annual exposition “Spectrum-2015” is being held on Saturday, 18th July, 2015. The theme for the exposition for this year is ‘Mathematics’.

Our enthusiastic children are waiting with bated breath to take you on an exciting and adventurous journey through a plethora of activities like Role Plays, Models and Games, etc. Your encouragement and support has always served as a source of motivation for all of us and has helped us to achieve immense success at each and every step that we have taken. We expect the same from you for this event as well!

The event also marks the inauguration of the School Enterprise Challenge (SEC). We require your wholehearted support to perform exceptionally well in this prestigious global competition. It will also add a new dimension to our annual programme ‘Spectrum’. The students will be learning the nitty-gritties of business economics and shall be involved in making a variety of items for you to choose from. The predominant theme for the SEC will be ‘Recycling’. The displayed items will be on sale for a very nominal price and you will also have an option to place orders. Kindly savour the wide range of eatables specially prepared by the students. The money collected from this venture will be used for charitable/ humanitarian causes.

You are requested to kindly note the following for the day of exposition:
1. The reporting time for students is 7:45 a.m.
2. The transport will be provided only in the morning to those who avail the facility. Transport will not be provided to students in the afternoon.

6. You are requested to visit your ward’s class after visiting other classes and then take him/her back with you once the exposition is over at 12:30 p.m.
7. Under no circumstances would the child be allowed to leave before 12:30 p.m. Kindly adhere to the timings to avoid any inconvenience.
8. Parents are requested to keep their mobile phones on silent mode during the course of their visit.
