(Circular for Class KG)                   

Dear Parent

We are pleased to inform you that we are introducing the concept of a "Reading Corner" in the KG Class in order to cultivate a lifetime reading habit in our children. To ensure its effective implementation, we urge you to contribute towards the same by sending any two story/reading books, preferably having 3 letter words for the class library, latest by Monday, 8th Feb, 2016. These books could be from the personal collection that your ward has already read.

Kind regards

Shalini Bajaj
Head of the School
