(Circular for Classes I to XII)

Date: 6th September, 2016

Dear Parents

It is the joint responsibility of the parents & school to inculcate good habits such as punctuality, discipline and respect in the children. We, as a school, are trying our best to impart these virtues at school and expect the parents to support us.

Parents of walker students need to ensure that their child reaches the school in time; hence, we urge you to drop your ward at the school latest by **7:40 am**.

The school shall be strictly following the stated timings & the respective parent(s) shall be expected to take their child back home after three warnings.

Kind Regards

Shalini Bajaj

Head of the School
