"God could not be everywhere and therefore He made mothers."

Dear Mom

Children are a true reflection of their parents especially their 'Mothers'. A mother will always set aside her dreams/aspirations to ensure that her child gets the best. The Maurya School will be celebrating "Women of Worth" on 11th November, 2017 to honour Moms and provide them with a platform to showcase their talents. As we have again applied for the British Council's International School Award (ISA), this activity will be a part of the ISA project.

The interested Moms along with their kids may participate in any one of the suggested activities:
