Dear Parent

The unfortunate incident at one of the Gurugram Schools has left parents worrying about the safety of their wards in the school. We have also received fresh safety guidelines from the CBSE as well as the Directorate of Education, Haryana. Accordingly, we are in the process of further tightening the security of the school which will approximately require a month's time. The following measures will be/have been implemented:

1. Porta - Cabins shall be installed outside the school building for bus conductors & drivers.
2. 40 CCTV cameras in addition to the current 80 for enhanced coverage of activities in the campus.
3. Two extra LED screens to be added to the one already present for a security personnel to keep a vigil on proceedings of the school live during the school hours. Back up to be increased to 45 days.
4. Three lady guards to be on round during school hours.
5. Additional separate washrooms have been constructed for fourth class employees outside the school building.
6. No handing over of children to parents without the latest I-cards. Children will only be handed over to persons having their picture on the I-Card of the child. In case of a car pool or any other reason, or in case someone else comes, he/she should have a letter from the parent with the HOS’ sign & school stamp.
7. Private van drivers will not be allowed to enter the school premises & the kids will be handed over to them at Gate no.3 (back gate).
8. A new water cooler shall be arranged near one of the gates for drivers, conductors, security personnel and other staff.
9. Children shall not be sent alone to the washrooms. For the Pre-Primary department, it is mandatory for a teacher to accompany the children.
10. All blue-collar staff, drivers and conductors antecedents shall be verified by the police.
11. All the areas such as bouncy, play areas & washrooms (except for one set of washrooms) will be locked at the time of dispersal.
12. We have initiated a mandatory head count check by all the activity teachers at the time of accompanying children to various venues & back to the class.
13. A number of teachers will be reporting half an hour early to school to manage the children who are dropped early either by parents or private vans (children reach as early as 7:10am).
14. For safety purposes, the school reception will not accept lunch boxes or water bottles from the parents during school hours.
15. The parents need to communicate about their child’s absence from school a day prior to the Class Teacher either by SMS or a WhatsApp message before the school start time of the day.
16. Pre-Primary children need to be collected by the parents latest by 1:20pm failing which the children shall be dispersed at 2:15pm along with the senior students.
17. We have created a separate e-mail address suggestions@themauryaschool.com for all your queries/suggestions.
18. All the students of Classes I to XII must reach the school latest by 07:40 a.m. during summer and by 8:10 a.m. during winter. The school gates shall close at 07:45 a.m. during summers and at 8:15 a.m. during winters.
19. All the students of the Pre-Primary Wing must reach the school latest by 09:00 a.m. during summers and by 09:30 a.m. during winters. The school gates will be closed at 09:00 a.m. during summers and at 09:30 a.m. during winters.

Kind Regards

Shalini Bajaj
Head of the School
