Dear Parent,

As you may be aware, we have started with our Air Rifle and Air Pistol Shooting Studio in the school premises from this session. This facility will be available to interested students in the morning from 7:00 am to 8:55 am (2 slots) on all working days. The students need to procure their own ammunition and targets for the same. The details of ammunition & targets are as follows:

1. Pellet Size - .177 caliber (4-5mm)
2. Pistol/ Rifle Target Size- Air 10m shooting range

Kind Regards
