Dear Parent

It has been two years that CBSE re-introduced the Term End Board Exams in Class X wherein the students have to write the examination based on the entire syllabi studied in the academic session.

We, at The Maurya School, have decided to introduce the ‘Term End Examination’ in Class IV in lieu of PA-IV. This will be their first tryst with an exam of slightly longer duration. The examination will be in the form of a worksheet with the volume of the content approximately double the volume of the Periodic Test and would require approximately one and a half to two hours to be completed.

The students will appear for only three Periodic Assessments (PA I, PA II and PA III) along with one Term End Examination. The weightage for the assessments has therefore been adjusted accordingly. Kindly make a note of the Assessment Policy given below.

**ASSESSMENT POLICY FOR CLASS-IV**

1. There will be two terms, the first term will be from Apr - Sep and the second term from Oct-Mar. The first term will have two Periodic Assessments (PA) and the second term will have one Periodic Assessment (PA) and one Term End Examination at the end of the year.

2. The student’s performance is evaluated on the basis of Periodic Assessments (PA) as well as Term End Examination.

**Periodic Assessments (PA)**

1. Each Periodic Assessment for a particular subject will be of 50 marks. The Periodic Test for each subject will be of 30 marks and 20 marks will be given for Classwork/ Homework; and other Activities or Project Work.

2. Periodic Assessment for Computers and G.K will be done in the regular classes.

3. The Periodic Tests will be held on a week day in rotation for all the subjects. Kindly refer to the Academic Planner for the schedule. Any changes in the same will be intimated through a circular.

**Term End Examination**

4. Term End Examinations are written exams at the end of the year which will include objective type questions, short and long answer questions. The maximum marks for class IV will be 40 (Computers and French/Sanskrit) and 80 for main subjects.

**WEIGHTAGE FOR ASSESSMENTS**
