

## NOTICE

Dear Parents

On the onset of the new session, I thank the entire parent community who have repeatedly reposed faith in The Maurya School. This bond of mutual trust and kinship should remain intact till we are associated. I request you to not get influenced by sources that have been creating unrest and mistrust amongst us. Please read the following points carefully:

1. All students till Class IX have been promoted to the next class.
2. The annual charges levied are in accordance with the court orders. These have been calculated as directed by the courts and are over & above the tuition fee (Session 2019-20) and will compensate for the overall actual expenses incurred by the school for the current session.
3. The school has been and will follow all the rulings of the courts that are applicable to Gurgaon schools.
4. Following are the court orders related to schools as shared by the education department and various other agencies:
  - a. Hon'ble High Court of Punjab and Haryana orders dated 30.06.2020 passed in CWP No. 7409 of 2020.
  - b. Hon'ble High Court of Punjab and Haryana interim orders dated 01.10.2020 passed in L.P.A No. 620 of 2020 titled as State of Haryana V/S Sarv Vidyalaya Sangh.
  - c. Hon'ble Supreme Court of India dated 12.03.2021 in SLP (C) Nos. 12924-19925/2021 read with the order of the Hon'ble Supreme Court dated 08.02.2021 in SLP ( C) Nos. 27907-27916/2019.
5. As we are in the process of culminating the Session 2020-21, we request the parent community to clear the pending dues, if any, by today itself.
6. All the parents who have shown their inability to pay in this session will be called to school personally in the coming week to share their fee payment schedule for the balance fee for Session 2020-21.
7. It is my ardent request to not get influenced by miscreants from outside agencies with political motives. We have always welcomed feedback and criticism which has helped us evolve. Let us get back to the same equation where we stride on a path together with a fundamental motive of quality education of our children.

Regards

Shalini Bajaj
